My dear Mukherjee.

News from Mysore says that they are having cases of malignant plague there daily - even as many as four in some days - This is presumably the beginning of a severe outbreak, and if a severe outbreak arises it seems true that only the best place for the Bacteriologist will be Mysore - as well also for animal work the Bacteriologist - and if they go I suppose in the ordinary course of things I will be going too - So

nothing has yet been done. Though we

it is dry enough & cleaned &c —

GOVERNMENT OF MYSORE

Dear Mr Lawson, Yesterday I addressed you about apartments on the Island of Elephanta for occupation on 25th March or thereabouts. If it will not be ready then I must get rooms in a hotel there, which will be impossible to get rooms for such a long period as I should want them & delay causes as the season is drawing to a close there is some doubt about the

to give me the assurance that
Elmwood will be ready / prepared to
receive a wedding on the 20th
March — or the opposite which
case Emily at once begin rooms
in a hotel —

Dear
Yours
Thursday

(17)
The exact date about the
Mathematics will be settled
this year, the Rudiments prepare
on or about 20th March,
the Orphrean the Mathematics
about the same date in April
But cannot be prepared
for the earliest date - & must
Thompson Reyner rooms from
on about 25th March
And Christ Thomas September
Lapel rooms from 20 April as
Crowded with boys be at that time
by reason the will have changed
rooms Thomas September -
I have just had a letter from
my landlord Landlady saying I
must have Tenders of Lincoln to have
Two rooms of last year - Hence this
note - I hope the Thomas
will be satisfactory either

Bangalore,
18. 2. 99.

Dear Mr. Srikantaiya

I addressed you a fortnight ago the subject of Glenview and its possible preparedness for occupation on 20th March or thereabouts - If it will not be ready then I must get rooms in a Hotel at once as it will be impossible to get rooms for such a brief period as I should want them if I delay longer -. As the Dewan is doubtless aware there is now some doubt about the exact date at which His Highness the Maharaja will arrive

Dewan thinks it safer for you to engage rooms as last year -

It is difficult to decide about Glenview definitely from here - If all is finished it will not be unreasonable to arrange for your Highness and party to have all necessary rest and at Glenview for a time

M. S. R.

will go to the hills this
year, the Resident pro
posing on or about
20th March Her Highness
the Maharani about
the same date in
April - But I must
be prepared for the
earliest date and must
therefore engage rooms
from about 25th
March - I dont think
it would be possible
to get rooms from 20th
April as crowded wile
they be at that time
by visitors who will
have engaged rooms
6 months before hand -
I have just had a letter
from my last years
land lady saying I
must hire today if
I wish to have my room
of last year - Hence
this note and I hope

the Devises will be good
Enough to give me the
assurance, that Glen-
view will be ready,
fully furnished and
a sanitary condition
by 20th March — or
the opposite in which
case I will at once
engage rooms in a
hotel

Bangalore
27th March 1899.

My dear Col Robertson,

I shall feel much obliged to you for advice and help as to the most reasonable disposal of the accommodation at Glenview Ootacammund Dr. Smyth the Medical Officer in charge of H. H. Maharaja must of course be given a part of the house for his occupation where he is at Ooty with His Highness But the house is a large one and I think it has space enough to accommodate also some of the higher European Officers of

the Durbar who usually spend a few weeks at Ooty during the time our Govt. is there. I had referred the question of the distribution of the available accommodation to Col. McNeil Campbell in consultation with Major Jones and I beg to enclose herein his memo with plan attached, describing the distribution he would recommend. I am sorry that this distribution has apparently not satisfied Dr. Smyth, and I have asked him to put on paper any other arrangement which he would propose as reasonable. The question is a delicate one as affecting

the personal convenience of our officers and I shall feel much obliged for any help from you into solution

Dr Smyth has not yet written to say what he wants but as you are going to Ooty tomorrow may I beg the favor of your looking into the matter and suggesting some arrangement which will please all. I am very desirous of making it very comfortable for Dr Smyth and family, but in the interests of the other Durbar Officers I feel bound to restrict him to some reasonable limits what these limits should be is a question of fact of which you would be the best judge, but you will perhaps not obje

to my enunciating as a reasonable basis to go upon the general principle that Smyth must not expect more accommodation than what he would ordinarily take in a Hotel and thus to limit him at Glenview to say the quantity of accommodation he had in the Hotel de Paris last year

I hope to be able to follow you to Ooty after a week or ten days I should be delighted if Her Highness can be persuaded to move to Ooty about the same time

Apologising for the length of this letter

Yours Sincerely
